

Monday 13th July 2020

This week we are learning about letter writing.

Today we would like you to write a letter to your class teacher about what you have been doing.

Try to include interesting facts and some questions as well.

Remember to set your letter out carefully, with your address on the right hand side at the top, then the date underneath.

Make sure you use accurate punctuation and join your letters neatly.

We will look forward to reading your letters!

PLEASE EMAIL THIS LEARNING TO YOUR CLASS TEACHER.
