

Italy, here we come!

Get your passports ready - this week, as part of our 'Around the World' topic, we are heading to Italy!

As a special treat, see if you can cook an Italian meal with your grown up today. You may like to make a pizza, cook some pasta with fresh tomato sauce or even spaghetti Bolognese?!

Don't forget the pudding! Italians are famous for their gelato so we think this is a great excuse to serve some yummy ice cream as a special treat for all your hard work this term.

Well done, and enjoy!
