

Teddy Word Bingo

Look in your teddy book and revise all the teddy words from this term.
Cut up some paper and write one teddy word on each piece, creating some cards, and put them (muddled up) in a pile. Take turns to pick a card from the pile and play bingo with your grown up - read the card aloud and if someone has that word on their bingo sheet, they can cross it off. The first to get three in a row is the winner!

You could make your own new grids and play lots of times if you would like.
