

Monday 20th July 2020

We are going to continue the theme of letter writing for one more day.

Today we would like you to write a letter to the children in Year 1 who are going to be in Year 2 next year.

They are probably feeling very excited, but also a little bit nervous...

What can you tell them about being in Year 2 to help them get used to the idea?

What's special about being in Year 2? What have you really enjoyed this year?

Is there anything that you remember being worried about that you actually didn't need to be worried about at all?
