

Christmas Jumper Maths

Draw or print out this sheet. Find some small objects around the house (buttons, peas etc). Place up to 5 objects on the jumper and tell a 'First, Then, Now story' for one less. Then draw a different number of Christmas shapes (up to 5) on the jumper, tell the 'First, Then, Now' story and show one less by crossing out.

First there were 3 trees.

Then one fell down

Now there are 2 trees
