

Monday 14th December

ENGLISH – POETRY

What would be a good Christmas present for our world?

Think about our world and how we can look after it.

For example:

Pick up litter

Look after wildlife

Do not waste water

Turn off lights

There may be more. Can you think of any?

Rhyming couplets are two lines of poetry where the last words rhyme.

For example:

Litter, litter everywhere.

Pick it up to show you care.
