

Maths

Monday 4th January

Today we are revisiting the topic of 'time' from the last week before the Christmas break.

We focussed on using the vocabulary 'First', 'then', 'later'. To describe the sequence of events.

Watch and listen to the story Elmer by David McKee

<https://www.youtube.com/watch?v=ZFrD18XLmLM>

Once you have listened to it. Place these 3 pictures from the story into the correct order (these are muddled on the next page). Encourage your child to describe the sequence of events once they have been ordered. Focus on using the vocabulary 'first, then, later'. If your child doesn't use this language, prompt and model by repeating what they said with the correct language or simply use the focus word to encourage.
