

## Friday English

Connect the contracted words with its expanded form.

You can write them next to each other if you can't print them.

<b>we are</b>	<b>we'll</b>
<b>you are</b>	<b>I'll</b>
<b>we will</b>	<b>I've</b>
<b>I have</b>	<b>we're</b>
<b>I will</b>	<b>you're</b>
<b>I am</b>	<b>there's</b>
<b>I would</b>	<b>she's</b>
<b>It is</b>	<b>I'm</b>
<b>she is</b>	<b>I'd</b>
<b>could not</b>	<b>It's</b>
<b>there is</b>	<b>couldn't</b>

Now write some sentences using the contracted words.

It matters where the apostrophe is written so take care. Also don't forget capital letters and full stops.
