

Year 1 - Compare numbers - Friday 8th January

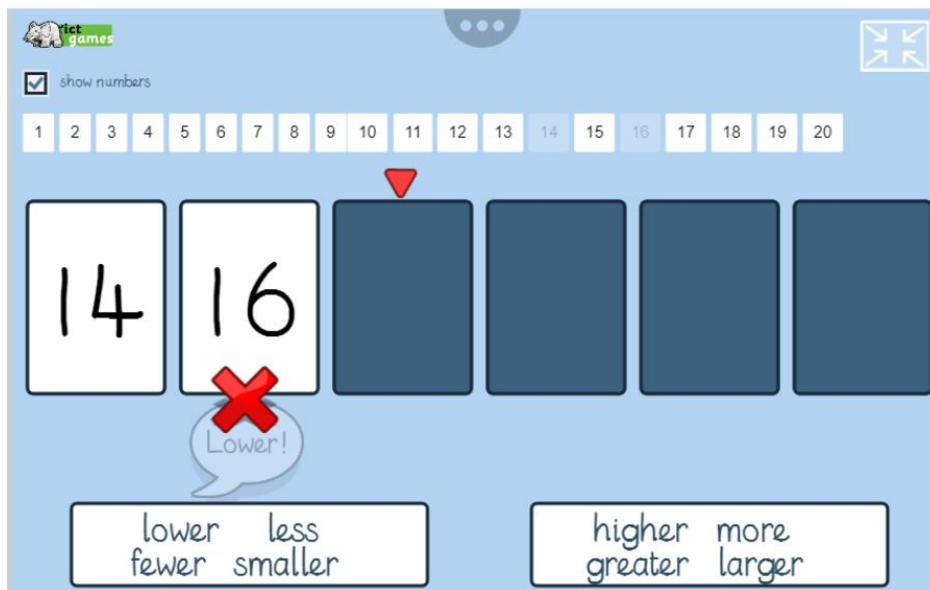

Today you are going to use the < greater than and > less than symbols again to help you compare numbers. Use this song to help you remember the symbols

<https://www.youtube.com/watch?v=M6Efzu2slaI>

Now play this game 'Play your Cards Right'

<https://www.ictgames.com/mobilePage/playYourCardsRight/index.html> and

guess whether the next number will be higher or lower! Then write the numbers down and use the < greater than and > less than symbols in between.

e.g. $14 < 16$
