Writing

L.O- To segment CVC words with the middle 'a'

Please share this learning with your child's teacher, either on Tapestry or via email

Choose from the chilli challenges below.

Each picture has a phoneme frame. In a phoneme frame, 1 sound goes into each box. All of the words will have 'a' as the middle sound. Encourage your child to say the word for the picture slowly to help them hear the sounds.

 <p>Mild</p>	<p>Write the initial sound in the first box. Your child may need the word said really slowly for them. If they cannot hear the initial sound say the word again but separating the initial sound from the rest of the word. E.g. s-at</p>
 <p>Spicy</p>	<p>Segment the initial, middle and final sound for each word to match the pictures and write the matching letters into the phoneme frames. Your child may need to be encouraged to say the word slowly to help them hear the sounds. Once all of the words have been written, encourage your child to check them by sounding out and blending to read.</p>
 <p>Hot</p>	<p>Segment the initial, middle and final sound for each word to match the pictures and write the matching letters into the phoneme frames. <b>This should be completed independently.</b> For each picture, write a sentence using the word. E.g. using the word 'cap'- 'I put on a cap' Additional challenge to write a list of how many more words you can think of that have 'a' as the middle sound.</p>

Name: \_\_\_\_\_

12.01.21

Write the initial sound for each picture

   a   t

   a   p

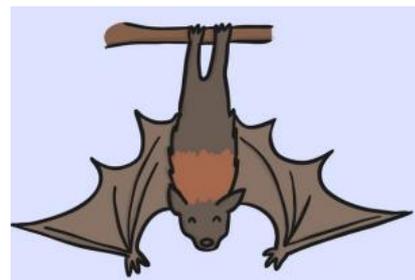

   a   t

   a   m

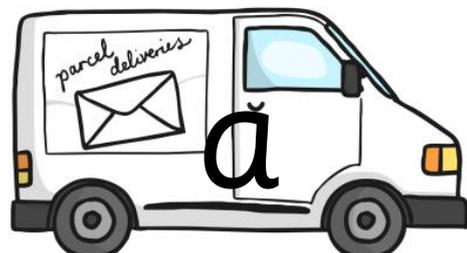

   a   p

   a   t

   a   t

   a
