

ART

To create a piece of artwork in the style of chosen artist

Take a look at the pieces of art on the next two pages.

- Which one do you like the best?
- What do you think the artists used to create them? Chalk, charcoal, pencil, paint?

Choose one and recreate it carefully. You may change something in the picture if you would like.

Red Shirt Table by Wade Patton

What do you see in the clouds?

Stormy Weather by Bonnie Rogers

Look at the bottom
half of the picture,
what do you notice?
