Today you are going to create rhyming strings.

First of all watch the video and try the activities on this link:

<https://www.bbc.co.uk/bitesize/topics/zjhhvcw/articles/zqjgrdm>

Now you know a rhyming word needs to sound the same at the end.

For example: **dog** and **log**

or **again** and **mane**

Now create some rhyming strings (lists) for the following weather words: (you can write them in your book or on paper if you do not want to print the page.)

I did the first one as an example for you.

cloud loud proud crowd allowed	sun	rain	snow
frost	fog	cold	hot
