Fresh Water Animals

This week we are learning about animals that live near water.

Watch the teaching video below before completing the activity

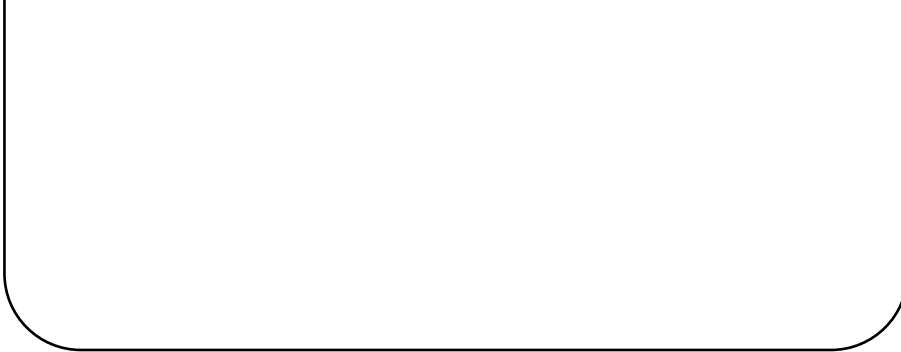

<https://www.youtube.com/watch?v=xJ9fzloLiiE>

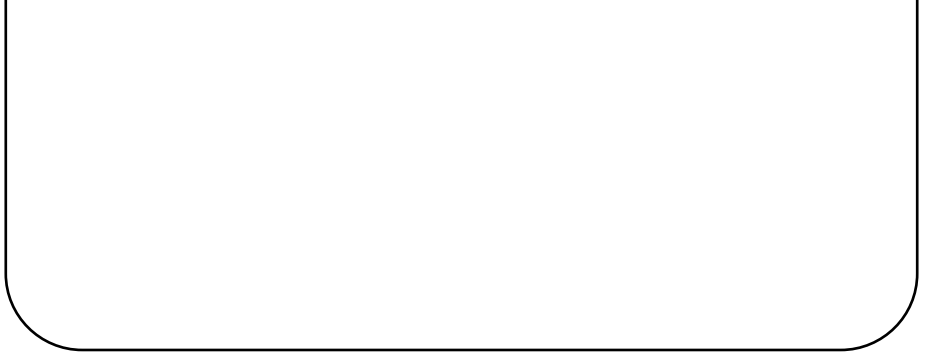

Name: _____

Wednesday 19th January 2021

L.o- To identify the similarities and differences between 2 fresh water animals.

Draw a picture of the 2 animals you have chosen to compare from the video you watched.

Name of animal

Name of animal

With your adult, talk about the similarities and differences. Your adult can annotate your ideas and understanding in the boxes below.

Similarities

Differences
