## Maths

L.o- To represent numbers 1-10

Today we would like you to make a 'number book'.

You will need to represent the numbers from the chilli challenge you choose in different ways. You can be as imaginative as you like.

Here is an example:

Choose from the chilli challenges below:

 <p>Mild</p>	Represent the numbers 9 and 10 in 2 different ways for each.
 <p>Spicy</p>	Represent the numbers 5-10 in 3 different ways for each. One way must be in a tens frame.
 <p>Hot</p>	Represent the numbers 1-10 in 3 different ways for each. One way must be in a tens frame
